

Women Swimmin'

A Benefit for Hospicare and Palliative Care Services of Tompkins County

On Saturday August 8th, 2009, ***Drs. Goldberg and Lyboldt*** will be swimming 1.2 miles across Cayuga Lake to benefit Hospicare and Palliative Services of Tompkins County.

The mission of Hospicare and Palliative Care Services is to bring medical expertise and compassionate, respectful care to people and their loved ones at any stage of a life-threatening illness, and to provide information and education about advanced illness, dying and bereavement to the entire community.

The **first Women Swimmin'** raised over **\$54,000** for Hospicare and Palliative Care Services (HPCS) and **last year a staggering \$250,000!!!** -- a demonstration of the incredible generosity of people in Ithaca (and beyond) and their recognition of the importance of HPCS.

Please help us support such a worthy cause! Feel free to fill out a donation form now, take one home, or an online donation can be made in either (or both!) of our names at www.womenswimmin.org.

Thank you very much for your support in our quest to raise money for such a worthy cause!
